Bierock Fundraiser Information

We are really looking forward to this new fundraising event. All of the bierocks will be handmade in Alma, Kansas and delivered frozen. A German tradition and a local favorite, we hope this unique fundraiser will generate a lot of revenue! *This revenue will be used for our annual scholarship and the annual stipend to send someone to the national conference, as well as AWC social events.*

Instructions:

The bierocks will sell for \$3 each or buy 10, get 2 free (\$30 for a dozen). People who order will need to give you the money with the order. It will be up to you to tally and keep track of your orders and the money. On March 10th, you will send the # of original and # of cheese bierocks to Carrie Jo via e-mail (carriejo.gros@wibw.com), so she can send the total count to the Bakery. The money will be turned in on March 18th, when they are delivered. Pickup will be at the March 18th AWC meeting (in the parking lot after the meeting). They will be frozen, so we advise you to bring a cooler. Then it will be up to you to deliver them to the people who ordered from you.

We have left the “order by” and “delivery date” lines open on the order form so you can adapt them to your schedules. As long as you have your order in by March 10th and pick up your bierocks on March 18th you can distribute them whenever you like. Remember, they **MUST BE KEPT FROZEN** so plan accordingly!
