

Women Making Headlines

T **PEKA AWC** 2010 Headliner Awards

February 2010

Dear Topeka AWC Supporter,

The *Topeka Professional Chapter of the Association for Women in Communications* is a professional organization that champions the advancement of women across all communications disciplines by recognizing excellence and promoting leadership.

You are invited to join us on *Tuesday, March 30, 2010* as Topeka AWC honors outstanding women and a scholarship winner at our inaugural Headliner Awards luncheon. This year's theme "*Women Making Headlines*", represents the impact of each recipient on their place of employment or community organization where they volunteer and beyond.

The wide-ranging feats of these women set the tone for this year's Headliner Awards. We encourage you to join us in honoring these women and our scholarship winner by supporting this celebration of excellence as a 2010 sponsor.

Proceeds from the luncheon will be used for additional college scholarships for students in the communications field, professional development, and community investment projects.

Additional information on the Headliner Awards Luncheon, nominations, and sponsorship information can also be found on our website. You also have the option to submit your sponsorship form by mail or e-mail, then pay for your sponsorship online using a credit card or paypal account. Visit our website at www.topekaawc.org for more information.

Attached is a list of sponsorship opportunities. Thank you for your consideration.

Regards,

Jamie Hornbaker
